POWER OF TOMORROW

InterBattery Europe Showcase offers practical opportunities to understand the trends and prospects of the European battery market and develop market strategies by communicating face-to-face with leaders of the world battery market.

In addition, insightful solutions beyond battery industry are offered as InterBattery Europe Showcase takes place within EES Europe, an ESS-focused trade show which is a part of Europe's largest energy exhibition, The Smarter E Europe, that features other industries closely related to the battery industry, including e-mobility, energy management, solar energy and more.

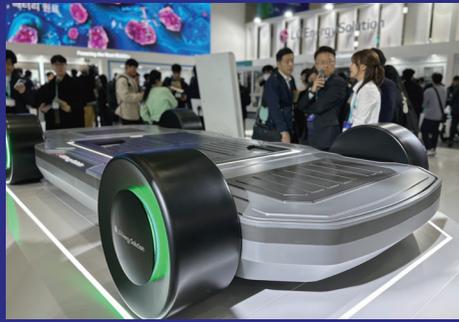

Take the opportunity to showcase your products and technologies to key players of the global battery industry and build a solid foundation for powering tomorrow.

KEY EXHIBITORS *Expected

INTERBATTERY EUROPE

ESS EUROPE

SITE PLAN

HALL A & B3-B4 & C4

InterSolar

Solar Cells and Modules, Balance of Systems, Production Technologies, Solar Thermal Technologies, Solar Power Plans

[Key Exhibitors: LONGI Solar, Jinko Solar, JA Solar, Trina Solar, Canadian Solar, Hanwha Q-Cells]

HALL C3

InterBattery Europe Showcase & ees Europe

(InterBattery) Battery Cell, Battery Materials/ Components, Battery Manufacturing/ Testing Equipment, Battery Recycling, ESS and more

(ees Europe) Energy Storage Technologies, Energy Storage System Components and Equipment, Battery Production Technologies/ Machine and Plant Construction, Energy Storage Systems

HALL B5-B6 & C5-C6

EM Power & Power2Drive

(EM Power) Smart Grids and Integration of Renewable Energies, Smart Buildings and Districts, Commercial and Industrial Energy Services

(Power2Drive) Charging Infrastructure/Charging Stations, Electric Vehicles/ BEV/ PHEV/ FCEV, Traction Batteries, Mobility Services

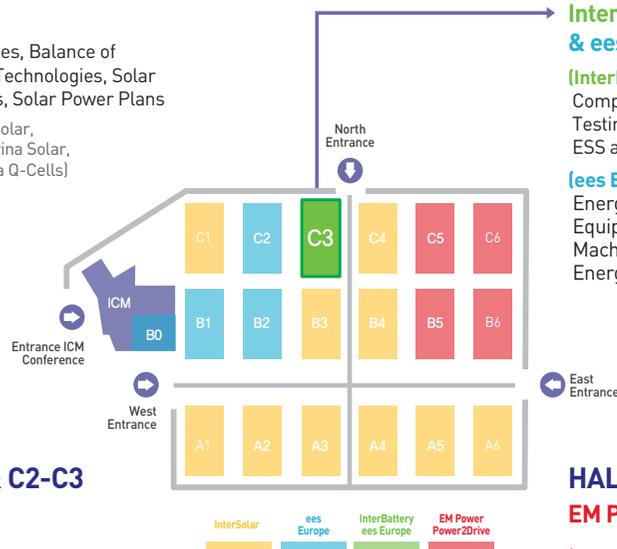

[Key Exhibitors: ABB, Schneider Electric, The Mobility House, KE BA, Alfen, EnerCharge, Eaton]

HALL B0-B2 & C2-C3

ees Europe

Energy Storage Technologies, Energy Storage System Components and Equipment, Battery Production Technologies/Machine and Plant Construction, Energy Storage Systems

[Key Exhibitors: BYD, CATL, EVE, Freyer, LS Electric, Siemens]

FEATURED EVENTS

THE BATTERY DAY EUROPE CONFERENCE

A conference program that analyzes the present and future of the global battery industry by exchanging visions and insights with world leading battery industry experts

K-BATTERY INNOVATION PITCHING DAY

Seminar sessions open exclusively to InterBattery Europe exhibitors looking for opportunities to introduce their products and technologies in detail to InterBattery Europe showcase attendees

1:1 BUSINESS MATCHING

A pre-scheduled 1:1 business matching program with hosted buyers of the European battery market and InterBattery Europe showcase exhibitors

INTERBATTERY NETWORKING NIGHT

An industry networking event open only to the exhibitors and visitors of InterBattery Europe showcase, as well as the speakers and attendees of the Battery Day Europe Conference

INTERBATTERY PORTFOLIO

DIVE INTO BATTERY

Interbattery is the world's leading battery business platform, bringing together the latest technologies and innovations from the global battery industry.

Since its launch in 2013, InterBattery has brought together battery experts and leading companies from around the world annually to discover and experience industry insights and visions of future energy solutions.

More than just an exhibition, InterBattery is now an important stage for driving innovation at the forefront of the world battery industry.

Moving its inspiration across the globe with the launch of InterBattery Europe in 2023, InterBattery show brand will continue to power the global industry by creating new connections and providing meaningful opportunities in Korea, Europe, and onwards.
