Summary Report

# OVERVIEW

INTERBATTERY EUROPE 2025

# SHOW OVERVIEW

**Title** InterBattery Europe Showcase 2025

**Date** May 7 (Wed) - 9 (Fri), 2025

**Venue** Messe Munich, Germany, Hall C3

**Show** 93 Exhibitors, 235 Booths

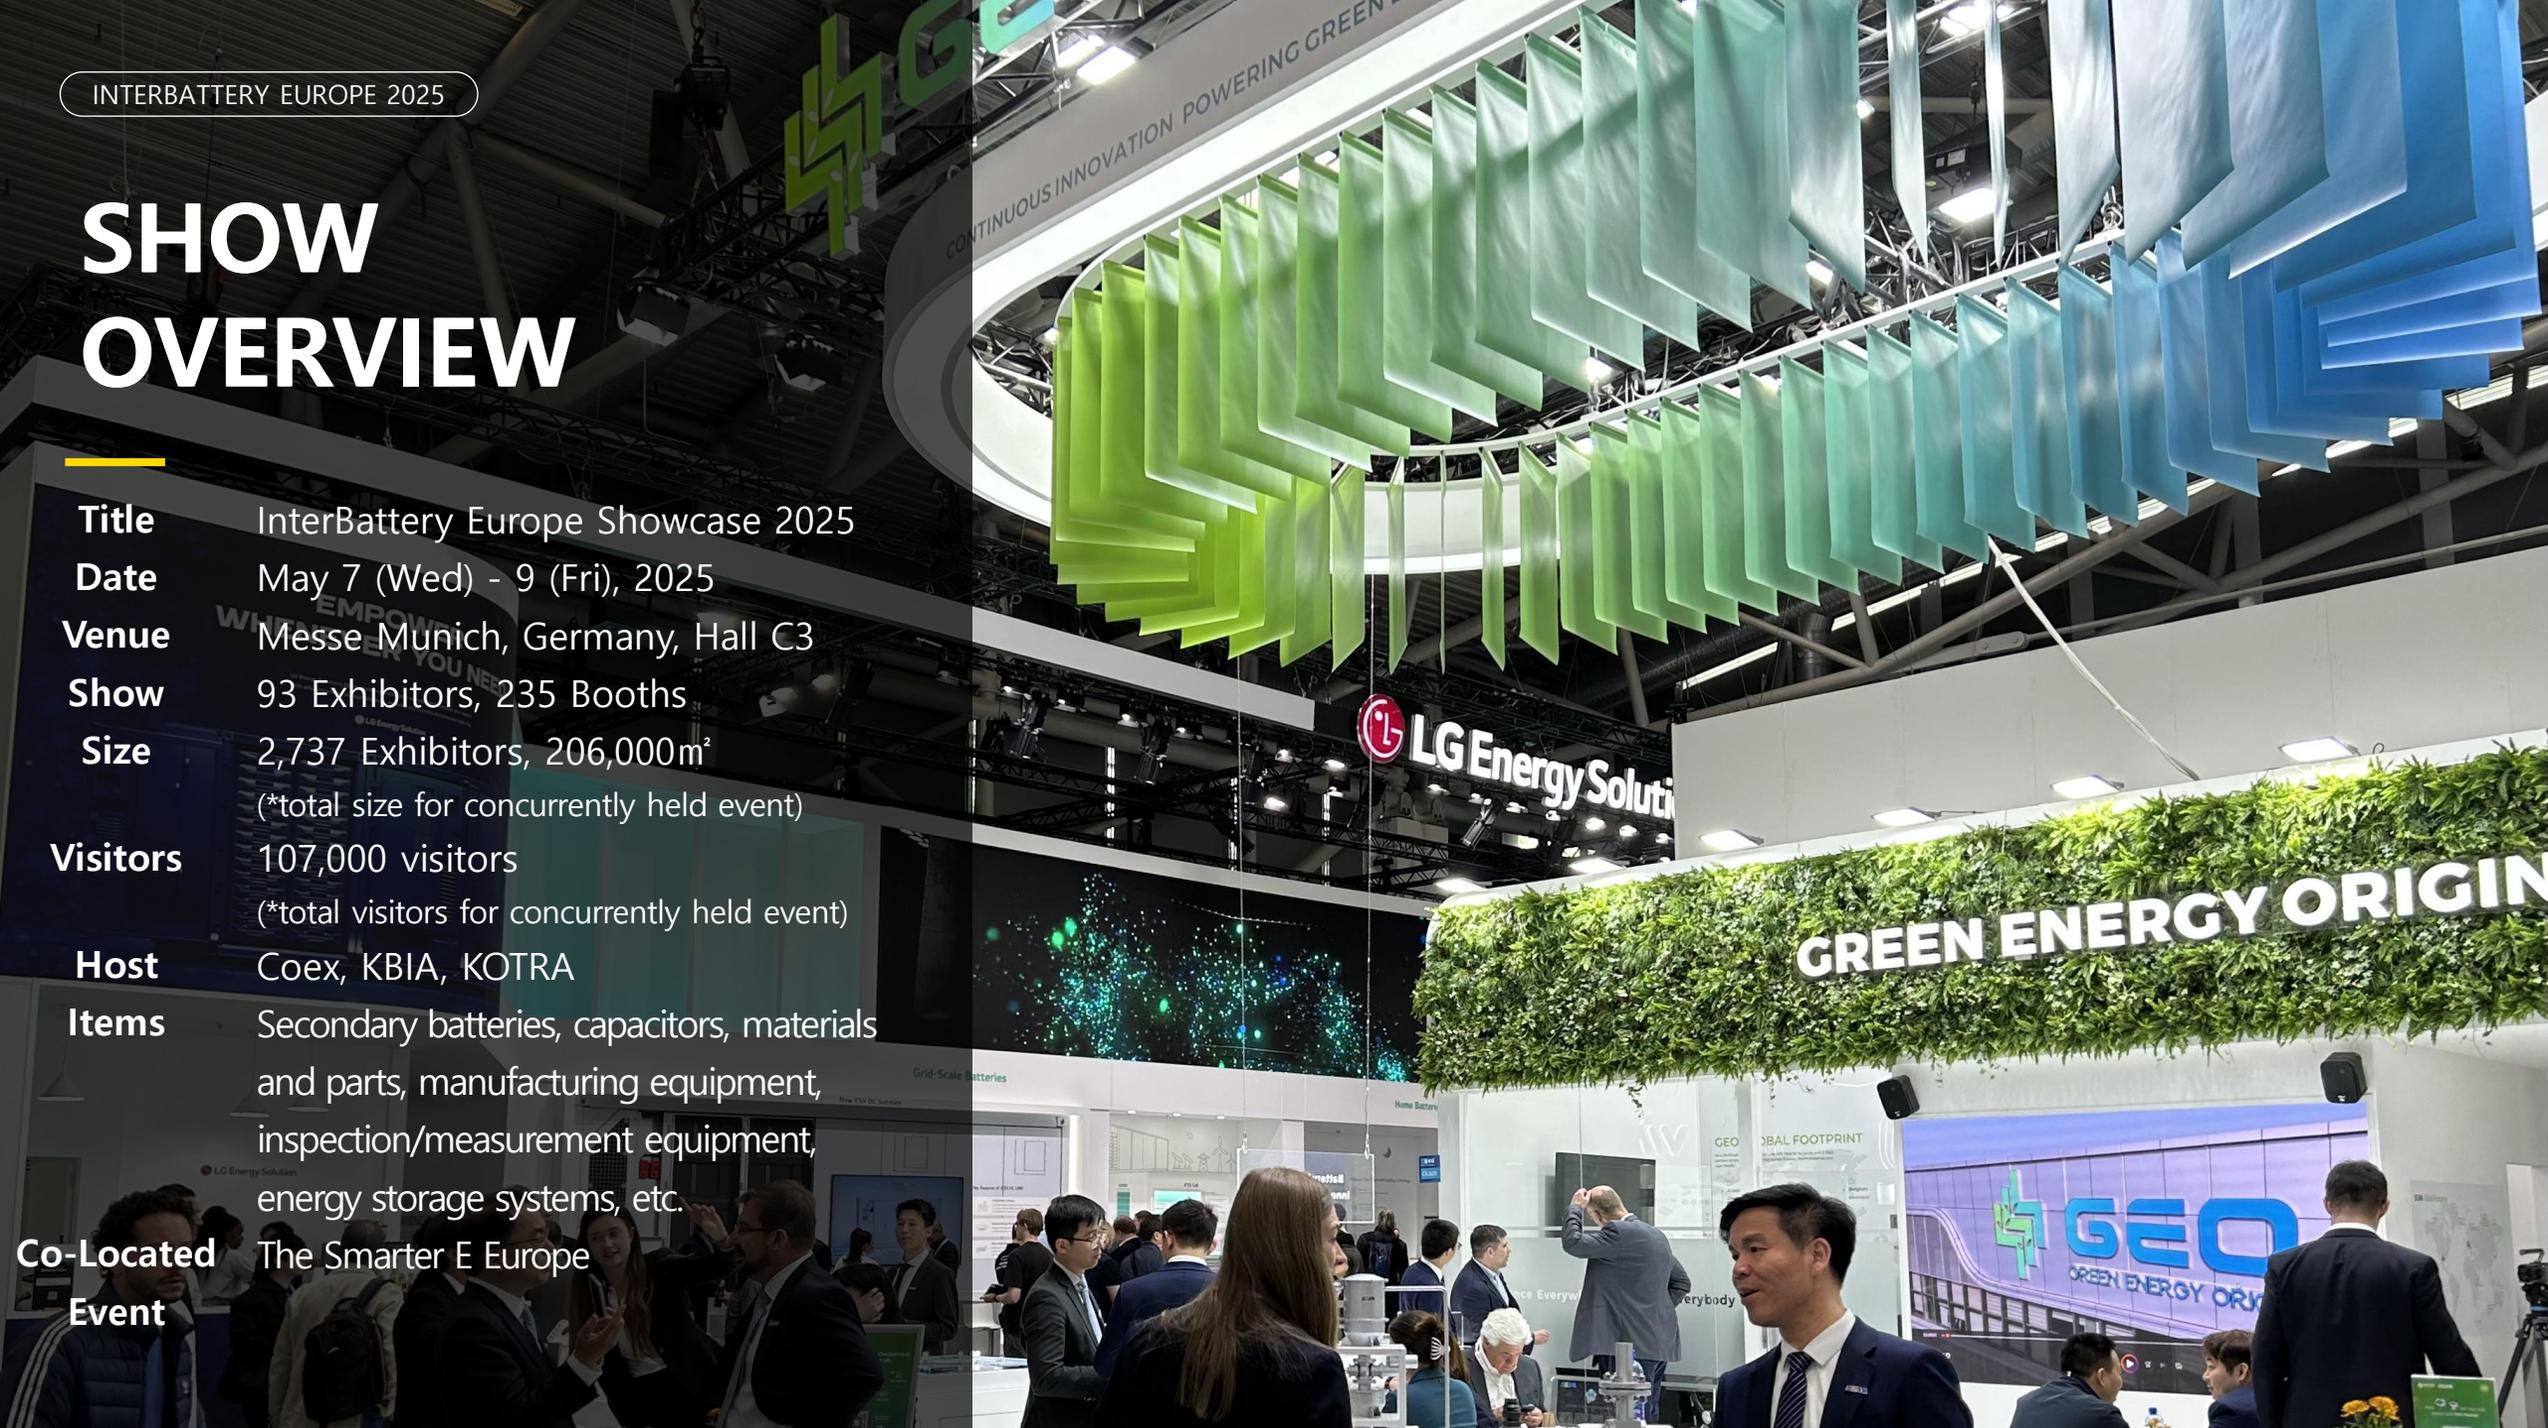

**Size** 2,737 Exhibitors, 206,000m<sup>2</sup>  
(\*total size for concurrently held event)

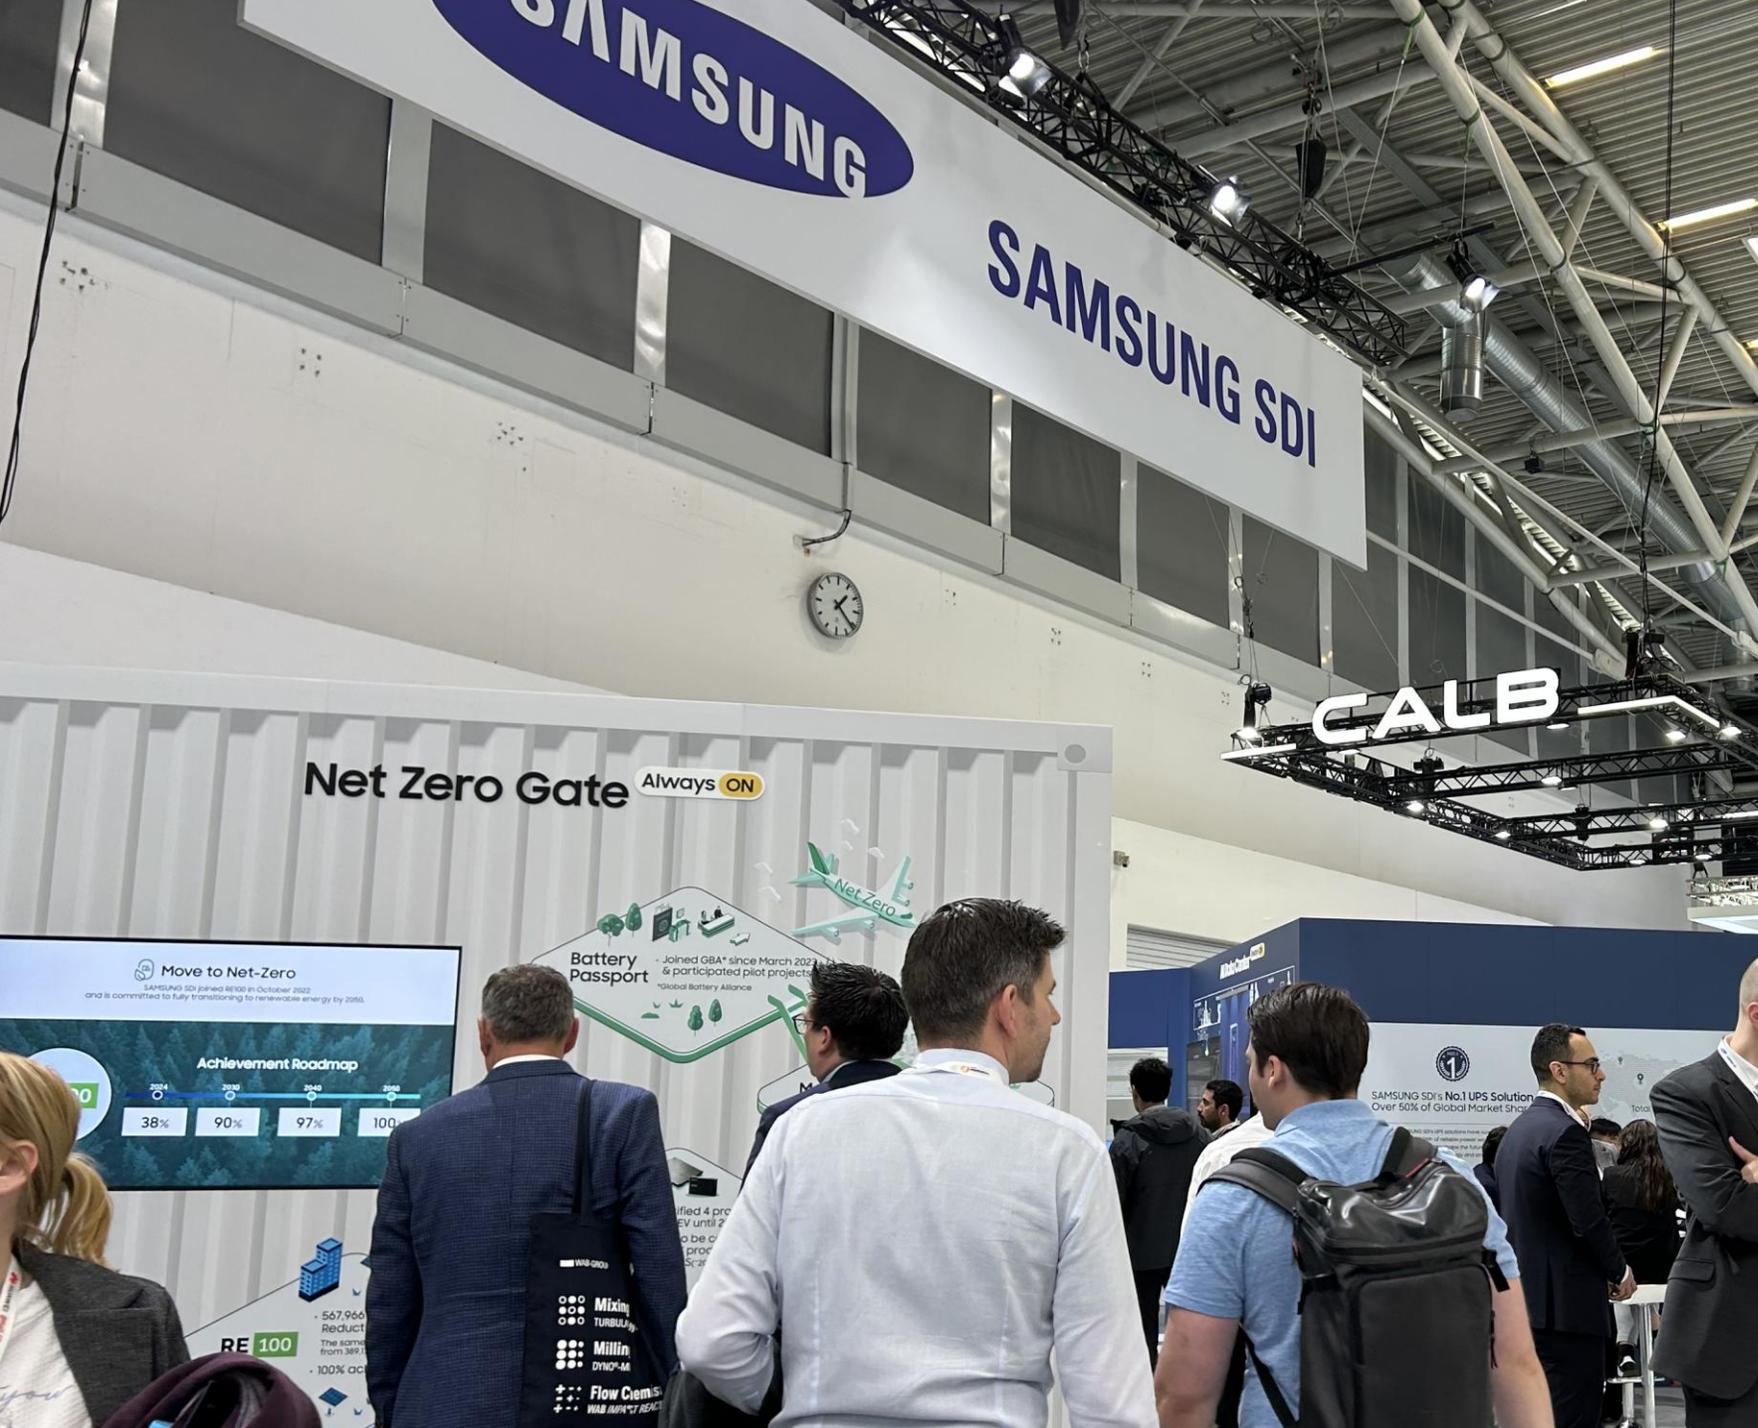

**Visitors** 107,000 visitors  
(\*total visitors for concurrently held event)

**Host** Coex, KBIA, KOTRA

**Items** Secondary batteries, capacitors, materials and parts, manufacturing equipment, inspection/measurement equipment, energy storage systems, etc.

**Co-Located  
Event** The Smarter E Europe

# Battery Day Europe 2025

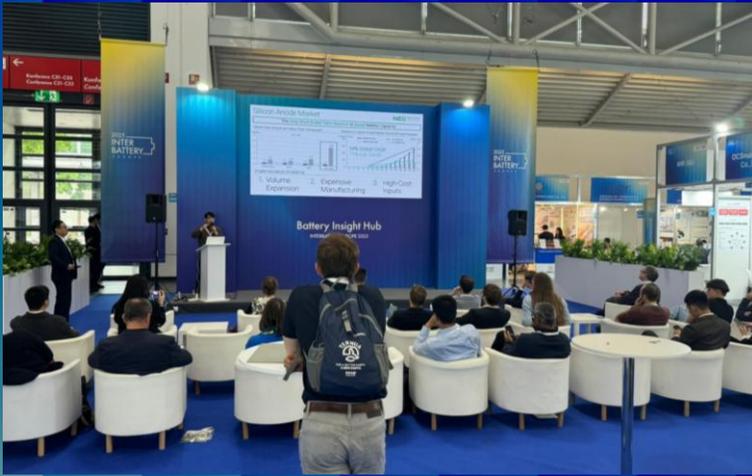

**Title** Battery Day Europe 2025 Conference  
**Date** May 8, 2025 (Thu)  
**Location** ICM Room 4  
**Organizer** KOTRA München  
**Detail** Sharing the latest trends and technologies in the global battery industry

## TIME TABLE

TIME	AGENDA	SPEAKER
9:00-9:45	Registration and Reception	
09:45-10:00	Welcome and opening speech	Organizers
10:00-10:30	Empowering the Future: The Core of Samsung SDI's Prismatic Battery Innovations	Dr. Taeahn Kim Corporate Vice President, Team lead of Product Planning <b>Samsung SDI</b>
10:30-11:00	Navigating Battery Industry Risks	Dr. Simon Engelke Founder and Chair <b>Battery Associates</b>
11:00-11:30	Localizes battery value chains in Europe - How can Europe compete under Chinese domination in the battery industry	Dr. Ines Miller Associate Partner <b>P3 Group</b>
11:30~12:00	Reviving and Emerging Non-Lithium Mono- and Multivalent Cation-Based Rechargeable Battery Technologies: Tracing Old Blueprints or a Leap Toward Originality?	Dr. Gebrekidan Gebesilassie Eshetu Group Leader of Chemistry of Functional Interfaces and Interphases for Electrochemical Energy Storage Systems <b>RWTH Aachen Univ.</b>
12:00~13:00	Lunch Break	
13:00-13:30	Global EV battery price pressure & expected consequences for the markets	Mr. Jan Wasserbaech Vice President <b>ALEXEC Consulting</b>
13:30-14:00	Battery Technology Roadmaps: The influence of current and emerging technology	Mr. Pete Tillotson Senior Research Analyst <b>Benchmark Mineral Intelligence</b>

TIME	AGENDA	SPEAKER
14:00-14:30	Battery Passports as Enablers of Transparent, Competitive, and Low-Carbon Chains	Mr. Tillmann Vahle   Mr. TJ Yoon <b>Quantis / Battery Pass Consortium   Glassdome</b>
14:30-15:00	Low-Fluorine Novel Polymeric Binder Materials for Dry Electrode and Multi-Roll Equipment for Continuous Dry Processing	Dr. Minwon Suh R&D Director <b>CNP Solutions</b>
15:00~15:30	Coffee Break	
15:30~16:00	Henkel's debonding technology that enables repair and recycling of bonded components in sustainable battery systems	Dr. Keon Woo Lee Sr Manager PD Battery Solutions <b>Henkel</b>
16:00-16:30	Battery Reuse and Recycling Market in Europe and Asia – Key Drivers and Emerging Trends	Mr. Carl-Ernst Forchert   Prof. Jung-Hwa Lee Managing Director   Professor at Berliner Hochschule für Technik <b>ReLiOS</b>
16:30-17:00	The Lithium-ion Battery Recycling in Response to Global Protectionism	Dr. Songhak Yoon Scientist <b>Fraunhofer IWKS</b>
17:00-17:20	Industrializing Silicon Anodes: Scalable Prelithiation, Real-Time Inspection, and Practical Battery Validation	Dr. Hyunsang Joo Managing Director, Co-founder <b>PRELI</b>
17:20-17:40	Use EV with Confidence by Remanufactured Battery	Mr. SangUk Lee Managing Director <b>POEN Europe</b>
17:40-18:00	Green Li-ion's battery recycling technology : The circular economy solution for batteries	Mr. Myeongjin Choi Head of Business Development EU <b>Green Li-ion</b>

# Battery Materials Talk

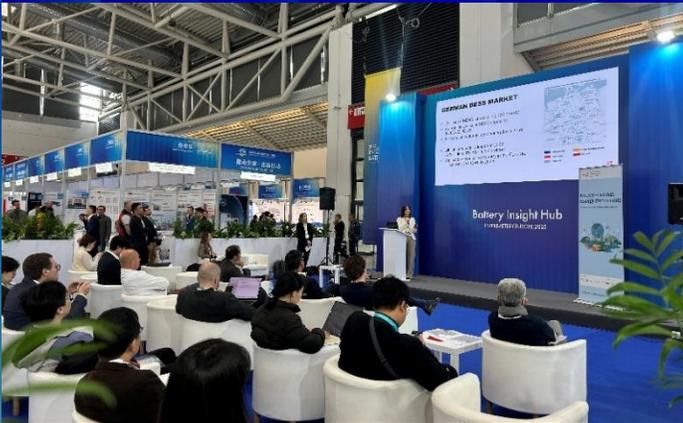

**Title** Battery Materials Talk  
**Date** May 7, 2025 (Wed)  
**Location** Hall C3 Battery Insight Hub  
**Detail** Sharing R&D updates on next-generation battery materials and exploring collaboration between EU institutes and exhibitors.

## TIME TABLE

TIME	AGENDA	SPEAKER
13:00 - 13:25	Exploring Materials and Process Technologies for Sodium-Ion Batteries	Dr. Lea Eisele Head of Group <b>Fraunhofer</b>
13:25 - 13:50	Bridging the gap between material suppliers and cell manufacturers	Sanna Sommer Head of Department <b>IFE</b>
13:50 - 14:15	Silicon for Next-Generation Batteries	Kang Sung-yong Principal Researcher <b>Evermore Technologies</b>
14:15 - 14:25	Coffee Break	
14:25 - 14:50	Metal Silicon-Based Cathode for Silicon-based Conversion	Danny huh Materials Korea SVP <b>Neo Battery</b>
14:50 - 15:15	Electrode Separation and Water Treatment Tech for Battery Industries	Ahn Dae-won COO <b>Two-n</b>
15:10 - 15:40	Synthesis and characterization of argyroditesolid electrolytes for all-solid-state Li-ion batteries	Lukas Zwanenburg Consultant <b>TU Delft</b>
15:40 - 18:00	Free Networking	

# Korean-German BESS Event

**Title** Korean-German BESS Event: Fostering the deployment of battery energy storage systems

**Date** May 8, 2025 (Thu)

**Location** Hall C3 Battery Insight Hub

**Organizers** BMWK, KGCCI & adelphi

**Detail** Connecting Korean and German experts to assess BESS and explore cooperation opportunities.

## TIME TABLE

TIME	AGENDA	SPEAKER
10:00-10:05	Welcome by Moderator	Jana Narita Senior Manager <b>adelphi</b>
00:05-10:10	Welcome Remarks	Dr Falk Boemeke Head of Division <b>Federal Ministry for Economic Affairs and Climate Action</b>
10:10-10:15	Welcome Remarks	Young-Sun You Director General <b>International Cooperation Division, Korean Energy Agency</b>
10:15-10:20	Group picture with all speakers	
10:20-10:45	BESS Landscape in Germany: Current Status and Policies	Xenia Ritzkowsky Senior Consultant <b>Enervis Energy Advisors</b>
10:45-11:10	ESS Landscape in Korea: Current Status and Policies	Daegee Kim Vice President <b>SNE Research</b>

TIME	AGENDA	SPEAKER
11:10-11:20	Fostering Synergies on Battery Energy Storage Systems in Korea and Germany	Sophia Binz Consultant <b>adelphi</b>
11:20-11:30	Industry perspective on BESS deployment in Korea	Korean company
11:30-11:40	Industry perspective on BESS deployment in Germany	Roman Alberti Chief Sales Officer <b>Voltfang</b>
11:40-11:50	Q&A	
11:50-12:00	Summary by moderator and closing of workshop program	
12:00-12:30	Open networking & pre-matched B2B meetings	

# Battery+ Forum

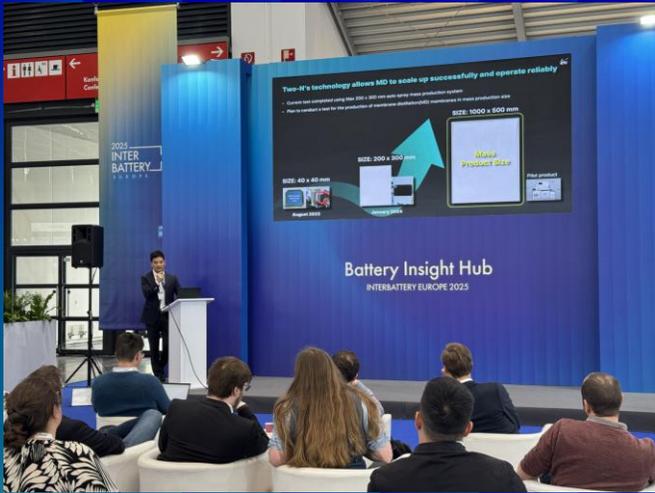

**Title** K-EU Battery + Forum  
**Date** May 8, 2025 (Thu)  
**Location** Hall C3 Battery Insight Hub  
**Detail** Explore EU battery industry trends, policies, and networking opportunities

## TIME TABLE

TIME	AGENDA	SPEAKER
<b>Part 1</b>		
12:57-13:00	Welcome Remarks	Jong-Seo Choi Vice President <b>KBIA</b>
13:00-13:25	Opportunities and Challenges in Global Battery and EV Industry	Chris Seo Managing Director <b>SNE Research</b>
13:25~13:50	Asia–Europe Collaboration for Advancing the Battery Circular Economy	Dr. Philipp Seidel Principal <b>Arthur D. Little</b>
13:50-14:15	Introducing the Global Battery Alliance Battery Passport - sustainability, traceability and the world's largest battery passport piloting programme	Graham Lee Head of Battery Passport Programme <b>GBA</b>
<b>Part 2</b>		
14:30-14:50	TBD	Elena Sbenghea Theme Leader <b>BCC-NL</b>
14:50-15:20	Czech Battery Value Chain and Cooperation Possibilities	Jan Vejbor Executive Manager <b>Czech Battery Cluster</b>
	Development of the joint Czech/Korean Battery Research Center in BrnoBD	Tomas Kazda Assoc. Professor <b>Brno University of Technology</b>

TIME	AGENDA	SPEAKER
15:30-16:00	Current Status of Global Investment & Supply Chain of the Korean Battery Industry	Taewoong Lee Director <b>KBIA</b>
	Mintech's EIS Technology on Battery Diagnosis and Analysis	Seunggil Jung Manager <b>MinTech</b>
16:00-16:40	Market Perspective on Batteries and Raw Materials in Poland and CEE	Aleksander Rajch Vice President <b>PSNM</b>
	Recycling capabilities and future projects of ELEMENTAL STRATEGIC METALS	Jakub Kołacz Business Development manager <b>Elemental Strategic Metals</b>
	Greencell – Smarter Everyday	Paweł Ochyński CEO <b>Green Cell</b>
16:40-18:00	Electrify: Advancing Heavy-Duty Vehicle Electrification through Cutting-Edge Engineering and Innovations	Adam Piotrowski CEO <b>Electrify Sp. z o.o.</b>
	Free Networking	

# K-Battery Innovation Pitching Day

**Title** K-Battery Innovation Pitching Day  
**Date** May 9, 2025 (Fri)  
**Location** Hall C3 Battery Insight Hub  
**Detail** Delivering presentations on innovative technologies and products by InterBattery Europe exhibitors

## TIME TABLE

TIME	AGENDA	SPEAKER
10:20 - 10:40	Mintech's EIS Technology on Battery Diagnosis and Analysis	Seunggil Jung Manager <b>Mintech</b>
10:40 - 11:00	EV Testing Solution	Hyungtae Kim CEO <b>Korea Simulator</b>
11:00 - 11:20	Electrode Separation and Water Treatment Tech for Battery Industries	Daewon Ahn COO <b>Two-N</b>
11:20 - 11:40	The Best Solutions for Battery Fires	Byeong Seok Kim Executive Director <b>SST Co., Ltd.</b>
11:40 - 12:00	Battery Solutions - A Platform for Growth?	Martin Saewe President Europe <b>Green Energy Origin</b>

## Walk Thru Meeting

**Title** Walk Thru Meeting  
**Date** May 7(Wed) – 9(Fri), 2025  
**Location** Hall C3  
**Summary** Business matchmaking between InterBattery Europe exhibitors and local European companies

## Networking Night

**Title** Networking Night  
**Date** May 7(Wed), 2025  
**Location** Munich Hofbräuhaus  
**Summary** Networking event among InterBattery Europe exhibitors

## 1:1 Business Meeting

**Title** 1:1 Business Meeting  
**Date** May 7(Wed) – 9(Fri), 2025  
**Location** Hall C3  
**Summary** On-site 1:1 meeting program between InterBattery Europe exhibitors and invited buyers

Company Name	Exhibit items	Booth No.
Hunan Ancheng New Energy Co., Ltd	Battery Energy Storage System	C3.570
InterBattery	Global Battery Exhibition, InterBattery 2026	C3.641
JASTECH,Ltd.	2nd Battery Cell, Can, Cap Assembly, and Secondary Battery Automation Manufacturing Equipment	C3.460
J-ENG	Secondary battery assembly and formation process equipment, logistics automation, ESS modul/pack M/C	C3.535
Jiangsu Guoning Power Cable Co., Ltd	solar cable & control cable	C3.758
Jiangsu Weijinmai Tech. Co., Ltd.	nickel-plated strip steel for new energy battery cases	C3.779
JIANGXI OYF VEHICLE INDUSTRY CO., LTD	Lithium-ion battery for vehicles, residential buildings, outdoor	C3.574
Jiangxi Ruiwei New Energy Co.,Ltd.	Lead acid battery	C3.472
Jiangxi SinNET Electronics Technologies Co.,Ltd	Household energy storage systems	C3.575
Jiangxi Wannianxin Micro-Electronics Co.,Ltd	UPS Energy Storage Power Supply, All-in-One residential Energy Storage Power Supply, Pure Sine Wave Solar Inverter	C3.754
Jiangxi Yudian New Energy Technology Co., Ltd.	Small portable power banks and household energy storage products, battery production	C3.774
JR ENERGY SOLUTION INC.	Electrode, Battery Cell	C3.640
KANGWON ENERGY CO., Ltd.	Air jet mil, PD Mixer, Electric heater dryer, Electro magnet filter	C3.550
Korea Battery Industry Association	Korea Battery Industry Association	C3.653
KOREA KIYON CO.,LTD.	Evaporation System with Glovebox	C3.751
KOREA SIMULATOR Co.,Ltd	Bi-directional Charger/Discharger(360kW, 150kW, 400kW), Bearing Electric Corrosion Tester	C3.656
LG Energy Solution	Lithium-ion Battery (ESS Battery)	C3.410
LOVSUN TEK CO.LTD	Solar battery, energy storage system	C3.676
LUAN GREENENERGY REFRACTORY AND INSULATION MATERIAL CO., LTD	Insulation Materials	C3.680
Mintech Co., Ltd.	AC Impedance Analyzer, All-In-One Battery Tester with Cyclor, EIS Integrated Formation System	C3.639
MIR G&I Co., Ltd.	Dry room, HVAC system	C3.759
Nanjing Ifusion Technology Co.,Ltd.	ENERGY STORAGE BATTERY	C3.762
NARAE NANOTECH	Battery Electrode Coater	C3.736
Neo Battery Materials Korea	Silicon anode for Lithium-ion Battery	C3.730
