2026 INTER BATTERY

InterBattery 2026
Summary Report

Exhibition Overview and Results

Show Overview

Date	March 11(Wed) – March 13(Fri), for 3 days
Venue	Coex Hall A·B·C·D, Grand Ballroom, The Platz, Lobby
Host	Ministry of Trade, Industry and Resources
Organizer	Korea Battery Industry Association, Coex, KOTRA
Exhibit Item	Battery cells, packs, and manufacturing, Four major materials, other materials, parts, components, systems, circuit software, testing certification, equipment, reuse and recycling, automation solutions, ESS, chargers and dischargers, etc.
Concurrent Events	The Battery Conference, InterBattery Awards, Battery Job Fair, Export consultation for overseas buyers, Networking Nights, etc.
Website	www.interbattery.or.kr

Scale

Exhibitors 671 Companies, 2,384 Booths (*2025: 688 companies, 2,330 Booths)

Visitors Total 77,250 (*2025: 77,102)

Day 1	Day 2	Day 3
22,969 visitors	26,271 visitors	28,010 visitors

FLOOR PLAN

3F Conference Room

Featured Program (Co-Located Seminar, Job Fair etc.)

3F Hall C

[Battery Core Technology]

Battery Cell Manufacturer / Sponsor Company

- CAFETERIA

2F The PLATZ

[Battery Start-Up & Innovation]

Innovative Product and Technology /
Battery start-up

- STAGE
- EXHIBITOR MEETING ROOM
- ORGANIZER OFFICE
- REBOOKING CENTER
- PRESS CENTER(START-UP BRANCH)

1F Hall A

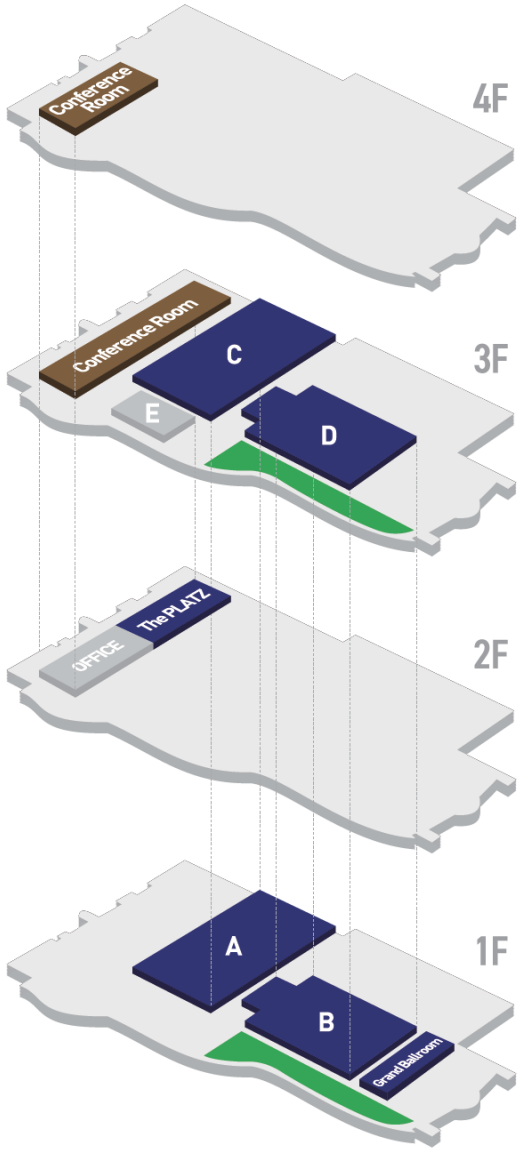

[Battery Application & Energy System]

Global Battery Company / National Pavilion

- CAFETERIA

1F Lobby

3F [Battery Start-up & Innovation]

4F Conference Room

TBC

3F Hall D

[Battery Process & Quality Engineering]

Battery Material, Parts and Equipment

- EXHIBITOR MEETING ROOM
- EXHIBITOR LOUNGE
- EVENT ZONE

1F Hall B

[Battery Manufacturing & Smart Factory]

Battery Manufacturing Equipment /
Inspection and Measurement Equipment

- CHARGING STATION
- CAFETERIA
- EXHIBITOR LOUNGE

1F Grand Ballroom

[Energy Systems & Battery Solutions]

Battery Management System (BMS) /
Recycling and Reuse /
Energy Storage System (ESS)

- CAFETERIA
- EXHIBITOR MEETING ROOM

Opening Ceremony

Title	InterBattery 2026 Opening Ceremony
Date	March 11(Wed), 9:00 – 10:00
Venue	Coex Hall A Entrance
Participants	Vice Minister of Ministry Trade, Industry and Resources, Chairperson of the Trade, Industry Energy, SMES and Startups Committee, representatives of organizing institutions, industry leaders, major media outlets, etc.
Visitor Scale	Approximately 200 attendees
Program	VIP Welcoming – Ceremony – VIP Tour

The Battery Conference

Title	The Battery Conference
Date	March 11(Wed) – March 12(Fri), 2026
Venue	Conference Rooms 307, 308, 401, 402
Speakers	4 specialized tracks covering various global battery sectors, 40 sessions
Visitor Scale	Approximately 1,100 battery industry professionals
Topics	An international battery conference featuring domestic and global battery experts, covering the entire value chain — from battery minerals, materials, and cells to applications, recycling, and reuse.

InterBattery Job Fair

Title InterBattery Job Fair 2026

Date March 11(Fri) – March 13(Fri), 2026

Venue Mentoring: Conference Room 317, 318
Company Briefing: Conference Room 327

Program 1:1 Career Consulting with professionals from battery companies, Corporate & Job Role Presentations, Recruitment Process Overview

Scale Mentoring: 22 companies, 26 booths, approx. 1,200 sessions
Company Briefing: 5 companies, approx. 2,800 attendees

[Company Presentations Time Table]

March 11(Wed)	
Time	Company
13:30-14:00	Samsung SDI
14:00-15:00	L&F Co., Ltd.
15:00-16:00	LG Energy Solution

March 12(Thu)	
Time	Company
11:00-12:00	SK On
13:30-14:30	LG Energy Solution
14:30-15:00	Samsung SDI
15:00-16:00	L&F Co., Ltd.

March 13(Fri)	
Time	Company
11:00-12:00	LG Energy Solution
14:00-14:30	Ecopro Co., Ltd.
14:30-15:30	L&F Co., Ltd.
15:30-16:00	Samsung SDI

InterBattery Awards

Title InterBattery Awards

Date March 11(Wed) – March 13(Fri), 2026

Date Coex 1F East Gate Lobby

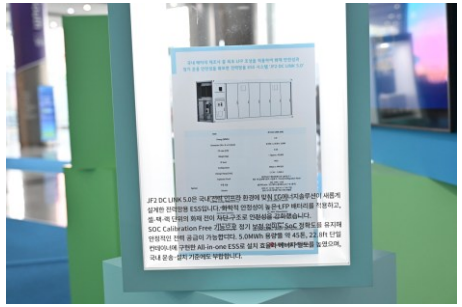

Overview Recognize and honor outstanding technologies and products that have contributed to the advancement of the battery industry, selecting and awarding innovative companies across the entire battery value chain.

[Winner of the Year]

Category	Company	Product/Technology
Batteries	LG Energy Solution	JF2 DC LINK 5.0 ESS for Power Grids
	SK On	Prismatic On-Vented Cell
	Samsung SDI	700Wh/L High-Energy Prismatic Battery
	REMPLIR	Domestic Lithium Iron Phosphate (LFP) Battery
Materials	Ecopro	Supply Chain-Independent LFP Direct Synthesis Method
	LG Chem	Thermal Runaway Retardant Thermoplastics
	Eco&Dream	Next-generation 90+ High-Nickel Precursor
	Solum Advanced Materials	ESAR 10μm Stainless Steel Foil
Components	FDC	Explosion Vent for ESS
Equipment	Lead Intelligent Equipment	Dry Electrode Mixing & Coating System
	Xavis	High-speed Battery CT Inline Inspection System
	TW	Ultra-high speed (0.2sec) Hybrid (Notching + Stacking) Equipment

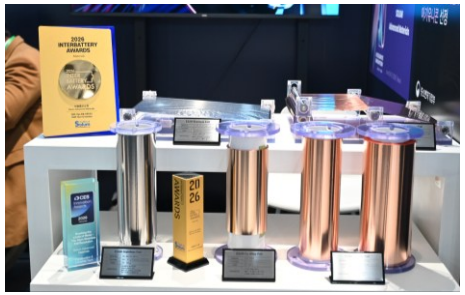

InterBattery Networking Night

Title	InterBattery Networking Night
Date	March 11(Wed), 18:00 – 20:30
Venue	Coex 1F Devil's Door
Visitor Scale	Approx. 300 attendees (Exhibiting companies & international buyers)
Overview	An industry networking event and social gathering where exhibitors and buyers connect and exchange insights.

Other Programs

2026 Germany-Korea Battery Forum

Date/Venue	March 12(Thu), 2026 / Conference Room 300
Host	Fraunhofer RO Korea, German Embassy, KEIT, Korea Battery Industry Association
Overview	Introduction to sustainable battery technologies from German companies and future battery technologies presented by Korea's industry, academia, and research institutes

Secondary Battery Intellectual Property Conference

Date/Venue	March 11(Wed), 2026 / Conference Room 300
Host	Intellectual Property Office, Korea Battery Industry Association
Overview	Conference on intellectual property trends, patent strategies, and industry outlook in the secondary battery sector

EU Battery Regulation & Industrial Policy Seminar

Date/Venue	March 13(Fri), 2026 / Conference Room 300
Host	Korea Battery Industry Association
Overview	This seminar enhances Korean companies' understanding of the EU Battery Regulation and key EU industrial policy changes, including the Automotive Package and the Battery Booster, and outlines step-by-step reponse strategies.

2026 Global Battery Minerals Seminar

Date/Venue	2026. 3. 13(금) / Conference Room 401
Host	Korea Mine Rehabilitation and Mineral Resources Corporation(KOMIR), Korea Battery Industry Association
Overview	A mineral seminar featuring renowned speakers from major resource-rich countries and leading mining research institutions.

Other Programs

U.S. Battery Forum

Date/Venue March 13(Fri), 2026 / Conference Room 402

Host U.S. Embassy Seoul, Korea Battery Industry Association

Overview Strengthening Korea-U.S. battery cooperation in the defense sector and expanding cooperation in the Korea-U.S. battery value chain

Seminar on Strategies to Promote the Lithium-Based Battery UPS Industry and Enhance Safety

Date/Venue March 13(Fri), 2026 / Conference Room 307

Host Energy Storage Research Center, Korea Electrical Safety Corporation (KESCO) / Korea Battery Industry Association

Overview Strengthening the technological competitiveness and safety of lithium-based battery UPS systems by sharing policy, technology, and standardization trends, and discussing practical application strategies based on the analysis of large-scale demand sites such as data centers.

Australia Battery Supply Chain Seminar

Date/Venue March 11(Wed), 2026 / Conference Room 301

Host Australian Embassy Seoul

Overview Providing a strategic overview of Australia's critical minerals supply landscape and battery sector policy direction, followed by targeted presentations from Australian companies outlining long-term supply, investment, and technology collaboration opportunities for Korean battery and materials manufacturers.

ESS Battery Innovation Technology & Thermal Runaway Safety Standard Compliance Strategy Seminar

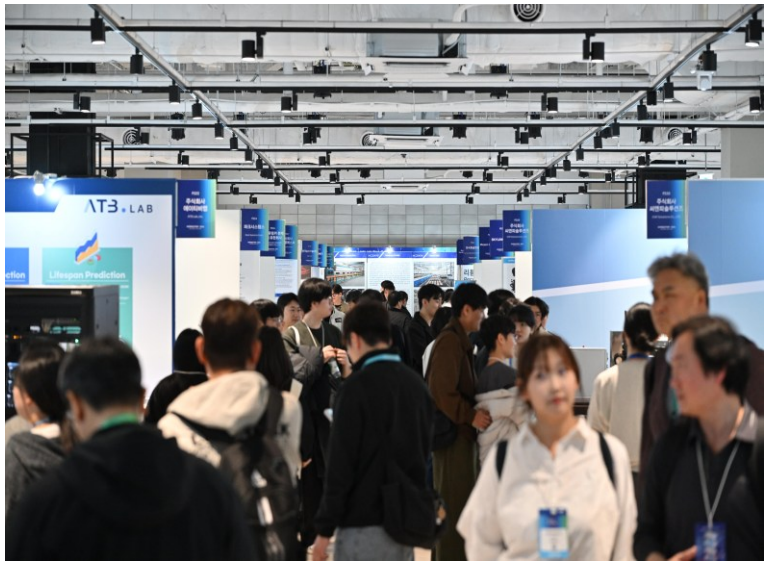

Date/Venue March 13(Fri), 2026 / Conference Room 307

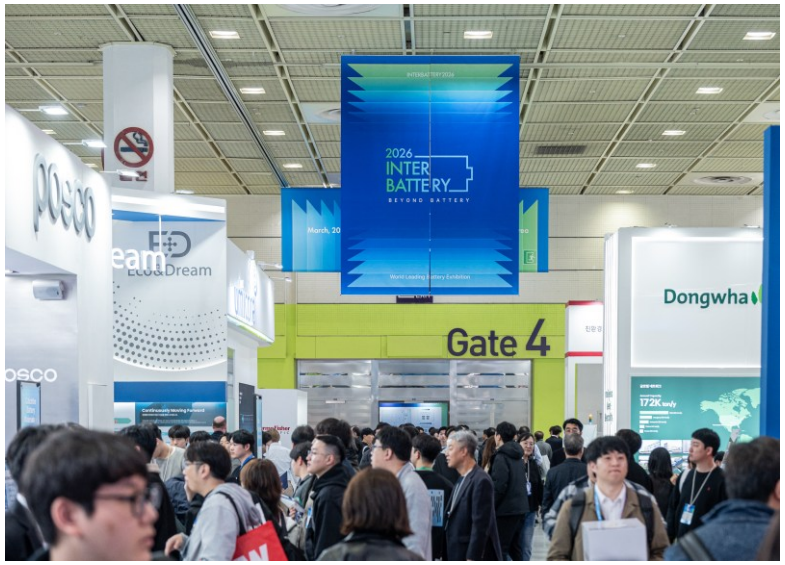

Host Korea Institute of Industrial Technology Education & Training

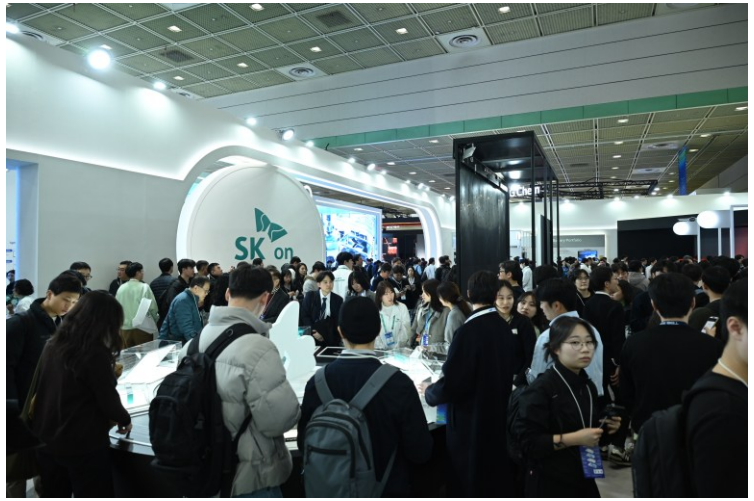

Overview Response strategies to international standards (IEC, NFPA 855) for ESS battery materials, ESS design, and thermal runaway prevention and mitigation.
